

I Choose College Now Expo

Save the date: April 21, 2021, 6PM-7:30PM

“I Choose College Now Expo” is designed for YOU! As a graduating senior heading to college, you have lots of questions such as: **What's the best college for me? How do I stay safe in the dorm? Can I afford college now? How do I excel academically in college during COVID?** These questions and many more that high school seniors and their parents have will be answered at the Expo.

The Expo will connect you with currently enrolled successful college students before the fast-approaching **COLLEGE DECISION DAY**. Students will share their strategies for crushing COVID barriers, and how they mastered college this year.

Convenient to attend, the 100% **FREE virtual Expo**, will include networking sessions, informative panels about the student experience, and direct chats for **students and parents to get their most urgent and pressing college questions resolved**. Connecticut universities' representatives from student support services, financial aid offices, admissions and most importantly, current college students and families already navigating college during COVID will be at your fingertips.

SIGN UP NOW <https://newhavenpromise.wufoo.com/forms/i-choose-college-now-expo/>

Event link will be emailed to you after registration and you will choose your own avatar to meet and greet in this virtual venue.
